Celebrations:

- **Renegade Production Crew!** On Thursday, April 11th six Renegade Production Team students attended Westosha Central High School dress rehearsal for "Above Average Man". These students were Ben E., Hailey A., Elizabeth B., Alexia A., Gavin G., and Mason K. At the dress rehearsal, these six students were given an all-access pass and the opportunity to see what goes on behind the scenes of a major production. The students toured the production booth, audio deck, and more. These students were selected for participation by Centrals tech team members and after microphone checks were completed each Bristol student was paired with the high school student who had selected them to participate as a shadow. These students were selected based on their respectfulness, professionalism, coachability, desire to learn, and leadership traits. These students can expect to be highly recruited by the high school tech team in their freshman year and will receive the Silver Feather Accolade in recognition of their achievements. This accolade will be proudly displayed on their production team shirt and indicates their readiness to participate at the high school level. Congratulations to this year's Silver Feather Award Recipients!
