Shout Outs:

STEAM NIGHT- What a huge success! So many "thank yous" to go around! To our **Art Team** for hours and hours of collecting work samples, organizing, and creating displays. To see the pride in our students when they find their art pieces and look on the families' faces when they enter "the Aquarium" made the night special. To our **Music Team** for coordinating time, space, and sound so our school was filled with really cool pieces and our students showed off some mad talent. To our **PTO** for helping decorate, coordinate, communicate, set up, take down, and support our evening, we hope you also made time to share the experience with your families. To our **Presenters and Volunteers** for giving your time and talents to inspire our students to see just how what they learn and do today could lead to a prosperous life of discovery. To our **Custodial Team** for all of your hard work to make sure our beautiful building was show-worthy, for supporting every radio call and request, and having the building back ready for school the next day is nothing short of a miracle. To our **School Board** for being here to help with tours, greet our guests, and support our day-to-day as much as our community events. Finally, to all of our **Students, Families, and Community** for being here and filling our school with smiles, conversation, and inspiration, and for helping us realize this new beautiful space we have to teach and learn. If you were not able to attend there are a few pics below.

Solo and Ensemble- Congratulations to the Bristol band members who won 70 gold medals, 17 silver medals and 2 bronze medals at the solo & ensemble festival at Central High School on Saturday.
