- **CORRECTION from May 16th WAU- 6/6 is the Last Day of School** 12:00pm dismissal

Important Information:

- **NEW! Yearbook:** In the past, Bristol School has purchased extra copies of the yearbook for people who forgot to buy a yearbook. We had over 500 yearbooks sold this year. It was decided that this year we will not purchase any additional yearbooks to sell in the office. Parents can still purchase a yearbook directly from the new company. Yearbook online ordering is closed, any parents/guardians that still wish to order may contact customer service at 262-780-2901 or customerservice@schoolandsportpics.com to place an order. These late orders will ship directly to their home addresses and may not arrive at the same time as the school orders.
- **NEW! Lost and Found:** All items in the lost and found will be moved to the door #2 (school office entrance) foyer on Tuesday May 27th. Any items not claimed by June 5th will be either disposed of or donated.
- **Skyward Messenger:** Skyward is changing the Messenger Tool for communicating with stakeholders. Our apologies, but they are making adjustments to some functions of Messenger before they are training the end users. We apologize if you are receiving emails that are only meant for a specific group. We are working with Skyward to make sure we have the training to be most effective in our communication.
- **TikTok Challenge:** We want to make you aware of a concerning TikTok trend that has been circulating among students. The challenge involves inserting paper clips or other metal objects into the charging ports of Chromebooks. This behavior is extremely dangerous and can cause serious damage to the device, pose a fire or electrical hazard, and result in injury. Please take a moment to speak with your child about the importance of using school technology responsibly and safely. Any incidents involving intentional damage to school devices may result in disciplinary action and the cost of repairs.
- **Summer Band:** Summer Band registration has started. Sign-up information is available in Skyward Family Access. Be sure to check the school event calendar and the band webpage for additional information and to learn about upcoming concerts.
- **Booster Club:** Bristol School is looking for adults to help be part of the Booster Club for the 2025-2026 school year. Our Booster Club is an integral part of our school's ability to create an engaging extracurricular experience for our students and community, and a driving force in fundraising for new/fresh uniforms and equipment. Any adult interested in helping with this group should email us at bristolboosterclub@gmail.com or direct message them via the Bristol Booster Club Facebook page.
- **2025-2026 School Calendar for Families:** Planning for our new school year is already underway. [Bristol's 2025-2026 School Calendar](#) for families is now posted on the Bristol website under School\Home. More mobile-friendly, this page also includes a link to a printer-friendly version.
- **Bristol Website:** New changes to our website are anticipated in the fall! We appreciate your patience this summer as we revise and update content on the website in preparation for these changes.

PTO:

- A key focus for our PTO is to provide funding for enrichment opportunities. Last week, our PTO approved funds for our Lego Legends and STEAM Club programs that will serve our students.
- Celebrate with Dad on Tuesday, June 17th, as the Cubs host the Brewers at Wrigley Field. Get your tickets here before they sell out: <https://fevo-enterprise.com/event/BristolPTOCHC0617>

Community Resources:

- **The Sharing Center:** The Sharing Center serves Western Kenosha County communities by sharing resources and advocating for self-sufficiency. [Here is a comprehensive list of resources and services the Sharing Center provides!](#) Have questions? Call 262-298-5535 or email director@thesharingcenter.net.
- **S.A.F.E.R Program:** The Kenosha Sheriff's Office is partnering with the Kenosha Police Department to provide this valuable tool to our county residents and schools. The S.A.F.E.R. Program is designed to collect and share critical information about individuals with special needs, making it easier and safer for officers to assist them during calls for service. Citizens can fill out a simple online form to provide details and upload photos. A QR code is attached to the flyer. I'll have a deputy deliver some to your respective schools. After a citizen submits information about their family member, an internal form will be completed, and this information will be added to our law enforcement software program. An alert will be created for that individual, and any responding officer can click on the alert to review critical information about the subject before making contact. This could include the individual's condition, potential triggers, effective de-escalation techniques, emergency contact info, and photos for quick ID. [S.A.F.E.R](#)
- **Community Event:** Saturday, May 31, 2025, from 8:00am - 1:00pm [2025 Kenosha County Household Hazardous Waste, E-Waste & Refrigerant Collection](#). Questions? Contact Kenosha County Public Works.

Shout Out:

- Grade 4 Post Card Exchange- our 4th-grade students are still receiving postcards from across the country. See the pic below!
