Important Renovation Information:

- **Bristol Staff Phone Extensions:** Due to the renovations, we are in the process of changing many phone extensions throughout the school. If you call and opt to use the dial by name directory, you may not get the person or voicemail of the person you were intending to call. If you are having trouble contacting someone at the school, please select the school or district office option and they will direct your call to the appropriate line. We will provide you with an update when the extension changes are complete. As a reminder, calls to teacher direct extensions during school hours will automatically be directed to voicemail.
- **Classrooms:** Teachers will have very limited access to set up their classrooms prior to Open House. We appreciate your understanding regarding any unfinished classroom displays, unpacking, and organization during Open House.

Open House: Thursday, August 29 from 4-6pm (see flyer below) - General Reminders:

- All students and parents are invited to wear Bristol spirit wear!
- Please review your Skyward Family Access for schedule, teacher, and bus information before open house!
- Kona Ice will be stationed in the front of the building once again! Proceeds support Bristol Athletics!

During open house, please bring and drop off the following items:

- **Incoming 4K, 5K, 6th and 7th Grade Students Only and New Students - Vaccine Information and/or Vaccine Waivers:** Families who have not yet submitted vaccine information to the school can drop it off during open house.

Families must complete a medication authorization form for any over-the-counter or prescription medications without specific care plans (e.g., ADHD meds, pain relievers). Medications will not be administered at school without completed authorization forms. Emergency health plans are available on our [School Nurse Web Page](#).
