- **Central's Key Club** is hosting a dance for middle school students of their feeder schools on February 6th. We are in need of a parent chaperone from our school in order to have students attend. If you are interested, contact Mrs. McDonnell at mcdonnell.jil@bristol.k12.wi.us.
- **Student Work From Home Due to Anticipated School Closures Framework:** Due to the exhaustion of this year's inclement weather days, Bristol School will implement work-from-home days when possible to avoid makeup days at the year's end. Families should review the framework for anticipated closures, as the district is dedicated to preparing both staff and students for potential disruptions caused by inclement weather.

Anticipated School Closures - [Student Learn From Home Day](#)

 1. The district will communicate during each school closure whether or not students will have a "Learn From Home day."
 2. Teachers will communicate with families the best way to contact them for any questions or support needed.
 3. Activities and work sent home will serve as our method of taking attendance during the school closure.
 4. If your child engages in the activities prepared by the teachers during the school closure, your child will be counted as "present".
 5. If your child does not engage in the activities prepared by the teachers during the school closure, your child will be counted as "absent".

Water Bottle/Lunch Drop Off

Effective immediately, Water bottle or Lunch arrivals:

- If a parent drops off a water bottle or lunch, it must be left at the designated "Drop-off Station" in the office. Please know that we value instructional time and we are trying to minimize the time students are pulled out of class. Please note that students will not be pulled from class to collect food, and we cannot guarantee the food will remain at its original temperature.
- **No Third-Party Deliveries:** Students are prohibited from ordering food via delivery apps to the school campus.
- **Safety First:** Our front office is a secure point of entry. Frequent unscheduled deliveries create a security vulnerability and divert our staff from their essential duties.

Shout Outs:

- **Congratulations to the Bristol Boys' Basketball Team!** Our Boys C-Team impressively ended the season, winning all of their games. The Boys B-Team finished undefeated in conference play and captured two tournament championships, including our own Bristol Shootout. The Boys A-Team closed out WAC conference play with a 10–1 record, earning the #2 seed in the playoffs.
- We would like to thank all of the students who participated in the **2026 Math 24** tryouts and congratulations to those who will represent our school. We are incredibly proud of all our mathletes for their hard work and dedication. Let's give a huge round of encouragement to the students as they prepare for their upcoming competitions!
