**Important Information:**

- **Playground Use After School:** With the weather getting warmer, we are starting to see more and more students using the playground after school during pick up time. We love that our students enjoy our new playground and we want to ensure that it is a safe place for all. Any child in grades 4K-4th grade must be accompanied by a parent or guardian to play on the playground after school. Students in the grades 5-8 who are not accompanied by a parent or guardian will need to wait until after dismissal to use the playground and need to use the equipment safely and be respectful of all in the play area. We appreciate your support!
- **Current 8th Grade Families:** On 4/15/26, Westosha sent the following information to each of the incoming freshmen families.
  - Infinite Campus login and password information for you and your student
  - [Freshmen Welcome Letter from Student Services](#)
  - [Westosha Central Athletic Night Flyer](#) (April 22)
  - [8th Grade Activity Night Letter](#) (May 9)
