- The Village of Bristol is planning for a more connected, walkable, and bike-friendly community and we want to hear from you! To make these plans truly reflect community needs, we've launched a short online survey and map feedback tool to gather input. Visit tinyurl.com/Connecting-Bristol and go to "public feedback opportunities" to take the survey and to use the online mapping tool. We want to hear from you. Please take this short survey on the Village of Bristol 2026 Pedestrian & Trail Plans. Responses from this survey are confidential and cannot be used to identify anyone.
