Help Us Reach Our Goal of Collecting 30 Lifesaving Donations!

Want to make a real difference in just one hour? Donate blood and help save lives — it only takes **5–10 minutes to donate**, and you'll be giving someone a second chance at life.

Here's why you should donate:

- 🧬 **Find out your blood type** (first-time donors will get their results within a week!)
- 🍪 **Enjoy free snacks** after your donation
- 💕 **Save more than one life** with just one donation
- 🤝 **Bring a friend** and make a lifesaving difference together!

Eligibility:

- Donors must be at least **16 years old**. If you're 16, a [parental permission slip](#) is required to donate
