

BRISTOL SCHOOL DISTRICT #1

Together - Growing • Learning • Succeeding

April 13, 2020

Dear Bristol Families,

We hope you had a nice Spring Break. As a reminder, virtual learning will start up again tomorrow, Tuesday, April 14 and will continue until further notice. Bristol School will continue to provide a variety of instructional delivery methods from virtual to paper.

Tomorrow's Packet Drive-Thru is designed for parents to pick up student paper work from 7:30am - 7:30pm at Bristol School. All grades have items to pick up except for grades 4, 5, 6, and 8.

Please carefully review the following information about tomorrow's Packet Drive-Thru. Prior to the Packet Drive-Thru, prepare your Bristol Family Sign:

- Make one sign per family stating the student/students' names, teacher's name, and grade; *this information will allow us to keep the pick-up line moving as quickly as possible.*
- Seventh grade students only, please list their assigned homeroom teacher.
- For your convenience, please see the optional [Bristol Family Sign Template \(Word\)](#) or the [Bristol Family Sign Template \(PDF\)](#).

During the Packet Drive-Thru:

- Bristol staff will be out in the parking lot to help guide traffic flow.
- Please enter by the north parking lot (83rd Street entrance).
- All parents are asked to wait patiently inside their cars and form a single file line for their packet pick up.
- Make your Bristol Family Sign visible to staff as you enter the drive-thru line.
- When your car reaches door #2, please scroll down your passenger side window.
- Packets will be placed through the passenger side window.

Important Reminders Regarding Tomorrow's Packet Drive-Thru:

- Bristol staff will not be collecting any items from families.
- Non-Bristol staff will not be allowed in the building.

We appreciate your patience with Bristol staff tomorrow as we do our best to safely and quickly provide you with your packets.

This has been a learning experience for all of us and we will be asking for your feedback on how we can continue to grow, learn and succeed together. A survey will be coming in the near future.
