

BRISTOL SCHOOL DISTRICT #1

Together - Growing • Learning • Succeeding

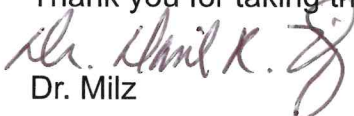

Hello Bristol School Families,

I hope this message finds you safe and well. The summer months for many schools usually usher in some changes. I want to quickly update you on some staffing changes that have recently occurred:

- Associate Principal Sarah Lindh's final day was June 30th. She has taken a similar position in Illinois. We wish her well with her new endeavors.
- Special Education Teacher Darlene Lasch, Third Grade Teacher Katie Murrie, Fifth Grade Teacher Jennifer Phillips, and Teacher/Interventionist Laura Suiter have taken positions elsewhere. We also wish them well with their new endeavors.
- A couple of Special Education Aides will not be returning. We wish Richelle Anderson and Lisa Dahlberg the best and thank them for their service. The work that our special education aides do is challenging, rewarding and much appreciated.
- It is exciting to announce that the Board of Education approved the hire of Jack Musha. Jack will serve as our Associate Principal. He comes to us from Waterford Union High School where he served as a Dean of Students. He served as a teacher, coach, instructional coach, and a Dean of Students in the Kenosha Unified School District prior to going to Waterford.
- Dr. Tea Mohn has recently been hired to serve as our Director of Special Education and School Psychologist. We are looking forward to the knowledge, expertise, and support she will bring to us through her leadership.

In other news, we are busy planning and preparing for the return to school on September 1st. Similar to our neighboring districts, we intend on having our buses in operation and our students in classrooms, with the potential of offering additional instructional options. What it will exactly look like is unknown at this time. Please know that the safety of everyone is in the forefront of all the planning that has been done thus far. We intend to send out a survey to parents and to staff to secure additional feedback. We will make sure you receive notice when the survey is made available.

Thank you for taking the time to read this quick update.

Dr. Milz

District Administrator
