Dear Bristol Families,

We hope this continues to find you safe and healthy.

We will be holding our May packet drive-thru and student item pickup next week on May 12, 13, and 14. Our staff has been working hard gathering and organizing student items.

This process is very similar to the last Drive-Thru and it is our hopes it will run as smoothly. We have already worked to group student items by family to assist us in efficiently getting the items out to your car, but we ask for your patience as we gather all items.

**Please carefully review the following information about May's Personal Items & Packet Drive-Thru.**

**All grade levels will have items to pick up. During the May drive-thru event, families will be able to:**
