

An Overview of WSDLC's Overdrive

Bristol School is excited to announce it has joined the Wisconsin Schools Digital Library Consortium. This new program which launched January 8, 2018, provides students and staff members of participating schools access to thousands of e-books, free of charge.

website: <http://wsdlc.lib.overdrive.com>

For assistance with using the program visit the Library Media's web page at:
<https://www.bristol.k12.wi.us.com> => School => School home => Library Media Center
=>Overdrive

Parameters are established by the WSDLC Board:

Checkout limit per user: 3 titles

Number of holds placed per user: 3 titles

There is no limit on the number of titles can be recommended by users.

The number of e-books checked out are not counted toward the school's four book limit.

The breakdowns by collection are as follows:
