

2024 Bristol Renegade Girls Softball

Welcome to the Bristol School Girls Softball Team! We are getting ready to begin another great season of softball. Softball is open to 6th-8th grade students, and we will have both an A-team and B-team.

Please read over the following preseason and in-season information:

- All necessary forms for athletics must be completed during online sign ups. Athletes cannot participate in practice or a game unless registration has been completed.
- Athletes are expected to bring a glove, water bottle, and wear athletic pants or shorts to practice and softball pants to games. Also, please bring softball cleats (no metal) if you have them, otherwise gym shoes will be fine.
- For after-school practices, the girls will change in the locker rooms and meet at the north softball field, fully ready to start practice at **3:15pm**. Practices will end at 5pm.
- Athletes may stay after school during early release days. Information regarding early release days can be found in the athletic [handbook](#).
- **As a coach, I have a one-team approach, so it is my expectation that all athletes are in attendance for both the A-Team game and the B-Team game, unless granted approval from me.**
- Athletes must ride the bus to away contests. Families will have the option to sign out their child at the end of the contest so that the child may ride home with them rather than take the bus back to school. Students are not able to be signed out by anyone other than a family member.
- Please be sure your child is picked up promptly when practices and games are finished.
- Athletes who participate in both cross country and softball will attend softball practice and games as scheduled. However, athletes will attend their cross country meet whenever a meet is scheduled.
- If you haven't already done so, please make sure that you review the athletic handbook for more information.

Please see the next page for softball practice and game schedule. If you have any questions, please contact me.

Thank you,
Mike Dorey
