

Dear Parents,

We are very excited that your child has joined the production: Shrek Jr. The Musical. In order to put on a successful production, parent volunteers are greatly needed. Please consider joining one of the six different committees: Concessions, Costumes, Hair & Make-Up, Props, Offstage Support, and Raffle/Auction.

Concessions: This committee purchases, prepares (if needed), and sells goods on performance days.

Costumes: This committee is responsible for keeping the costumes organized and hung up properly during rehearsals and performances.

Hair & Make-Up: This committee helps the actors get ready for the dress rehearsal days and performances. There are student volunteers on this committee as well.

Offstage Support: This committee helps the actors to be in place before each scene and keeps the hallway clear & quiet during dress rehearsals and performances. One helper is needed per day.

Props: Volunteers are needed to organize props & make sure they are in the proper boxes for each scene during dress rehearsals and performances. One helper is needed per day.

Raffle/Auction: This committee is responsible for gathering donations from local businesses and then organize these items for performance days. Another duty is to implement the raffle before each performance during intermission.

Here is the [Sign up Genius](#) link.

Thank you for your support,
Mrs. Chyla & Mr. Weinstock
