8th Grade Visit to CHS

Welcome to Westosha Central High School!

As the parent of an eighth grader, it is time to start thinking about next year and the beginning of high school. Prospective students are invited to a Visit Day on **Friday, January 19th**. Transportation has been arranged with the feeder schools.

Students will start the day with a small assembly in the gymnasium, where they will learn about the day we have planned. Peer Helpers and Freshmen Peer Mentors will be their tour guides as they visit each of our academic and elective departments. Pizza will be provided by Central in the Cafetorium. Students with diet restrictions should let CHS know prior to this visit.
