

CONNECTING BRISTOL

Village of Bristol, WI 2026 Pedestrian & Trail Plans

The Village of Bristol is advancing two bicycle and pedestrian projects:

- The **Village-Wide Pedestrian & Multi-Use Path Plan** will guide improvements to local and regional connectivity, bike/ped safety, and routes to key community destinations.
- The **UD1 (Village Hall) to UD3 (144th Ave) Multi-Use Path Study** will evaluate the feasibility of a 4-mile multi-use trail linking Downtown to WIS-50 at 144th Avenue.

WE WANT TO HEAR FROM YOU!

Community Survey

Takes less than 10 minutes to complete! Your feedback will directly inform plan recommendations.
