Help Us Make This A Night To Remember!!!

Dear Managers and Business Owners,

On Nov 21st, Star Of America Pageants along with co-host The Vault will be hosting a Special Friends Fall Ball. This event is tailored to our friends with special needs of all ages and is intended to give them the opportunity to enjoy the fun, excitement and experiences of dances that sadly they are not usually included on or schools do not host for them. We are reaching out to our local community businesses in search of further collaboration to help make this event amazing and memorable for our friends. We are seeking donations of store gift cards and monetary donations to help us obtain refreshments, mementos, decorations and items for our sensory rooms. We are also accepting physical donations of needed items as well to meet the needs of our friends who would be attending. We are also giving individual community members the option to donate and contribute as sponsors as well.

All Sponsors and donors will be thanked and mentioned on the Facebook event page as well as at the event and will have a special window application with their name written on it posted during the event.

Please reach out to the numbers on the flyer for more information. We Can't Wait To Help Create Amazing Memories.
